HOWLAND HIGH SCHOOL

Warren, Ohio

Don Booher, Editor
James Artherholt, Business Manager
Mr. Williams, Advisor

STAFF DEDICATES 1961 SCROLL TO MR. KEPNER

Mr. Kepner finds that much of his time is used in work at this desk. A lot of paper work is needed to keep a school running smoothly.

Mr. Kepner is never too busy to take time for conferring with students about schedules, with parents about a student's progress, or with teachers about lesson plans.

In this year before the time for Mr. Kepner's retirement, it is an honor and privilege for the class of 1961 to dedicate the 1961 Scroll to him. The students who have known Mr. Kepner have come to admire his high standards of scholarship, character, and leadership.

Mr. Kepner's duties as principal included such matters as administering the policies set by the Board of Education for students and faculty. Before school convened in September, Mr. Kepner was busy working out class schedules. Often the students must make changes in schedules which intensifies Mr. Kepner's work. During the year he is responsible for filling out many reports on seniors for colleges or jobs. He visits classes, and conducts conferences with parents and teachers about a student's progress. He often must organize and speak at assemblies. Mr. Kepner is also

very well-known as an excellent substitute for absent teachers, teaching very proficiently almost any subject offered at Howland.

Mr. Kepner came to Howland in 1951 to serve as assistant principal. Upon the death of the principal, Mr. Hugh Hanson, in 1953, Mr. Kepner became principal. During the time that he has been at our school he has seen many changes due to the unusual growth of Howland Township.

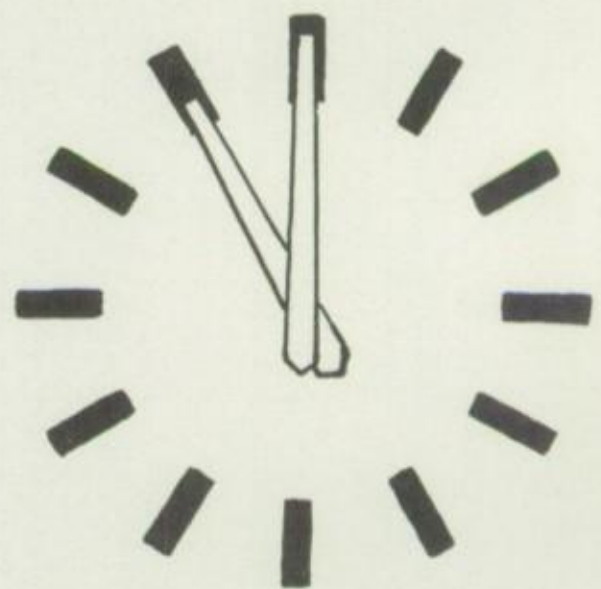

The class of 1961 is proud to have the privilege of dedicating this 1961 Scroll to Mr. Norman D. Kepner. The best interests of Howland High have always been uppermost in his plans and ideals. We salute our principal, Mr. Kepner, for all the attributes of a Christian gentleman and send our best wishes along with him in his forthcoming and well-deserved retirement.

A STUDENT SPENDS HIS TIME IN VARIOUS PURSUITS

As seniors are about to graduate, they often look back at the high school days just passed and marvel at the swiftness of the passing of time. Usually the time seems to have flown because every minute was filled with either diligent work or amusing entertainment. Having so much to do makes the time move so swiftly that the student is scarcely aware of its passing. As freshmen the future seems like something very distant and unimportant. During this period students are inclined to squander their time until they reach the level of upperclassmen and then the future becomes much more pressing. The time has either been wasted or spent wisely. By commencement time the graduate has learned for himself whether he has made the best of this most precious commodity.

The staff of the 1961 Scroll would like to take this opportunity to show all the classes how time was spent during the school term 1960-1961. In the following pages we would like to show the students where the precious minutes of "the best years of our lives," have been spent. Instead of time passing quickly and being wasted, it must be that this year was so full of interesting activities that the passage of time was scarcely noticed.

To every thing is a season, and a time for
every purpose under the heaven.
Ecclesiastes III

AT HOWLAND, STUDENTS FIND MANY

Time can, of course, be wasted as well as spent. Perhaps at the end of the day students wonder why "I have so much homework to do."

In the evening, many students such as Judy Falkinburg are found either cramming for a test or doing regular assignments.

Or the students may use their time for amusement as shown at this beatnik party.

WAYS TO SPEND THEIR TIME

Time spent in physical education classes is also useful in preparation for the future with a well-developed body as well as a developed mind.

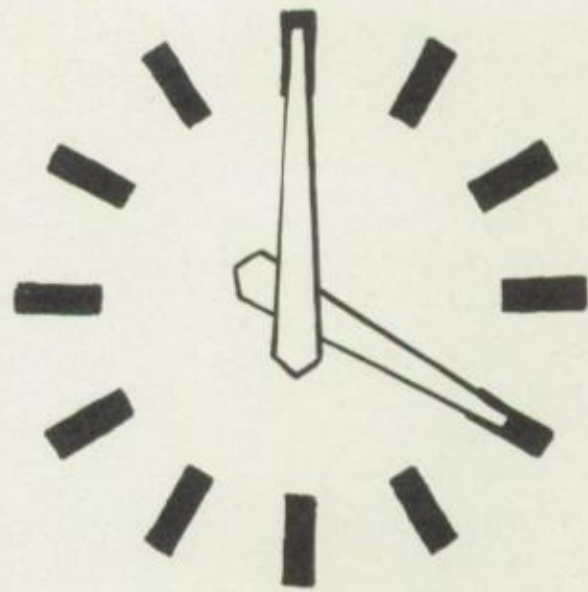

Time in chemistry labs is both educational and interesting. Stimulating the student to become aware of his surroundings is one of the jobs of the teacher.

Autumn

IS THE TIME

FOR ORGANIZATIONS, STUDIES, AND PARTIES

The time which we have at our disposal every day is elastic; the passions that we feel expand it, those that we inspire contract it; and habit fills up what remains.

Marcel Proust

Diane Schryver and Lee Selby use a Saturday to admire the very colorful autumn foliage at Mill Creek Park.

BOARD OF EDUCATION IS RESPONSIBLE

MR. A. O. LEMASTERS, SUPERINTENDENT

"Surround yourself with good help and give the help a chance to produce." This is the feeling of the dignified gentleman, Mr. A. O. Lemasters, who carries well the great responsibility of supervising the Howland school system. Prior to his appointment to this position in 1945, he was principal of Bolindale for twelve years.

After graduation from Ravenna High School, he attended Akron University. He received his B.S. degree from Ohio State, his Master of Science degree from the University of Pittsburgh, and has done additional postgraduate work at Youngstown University and Kent State University.

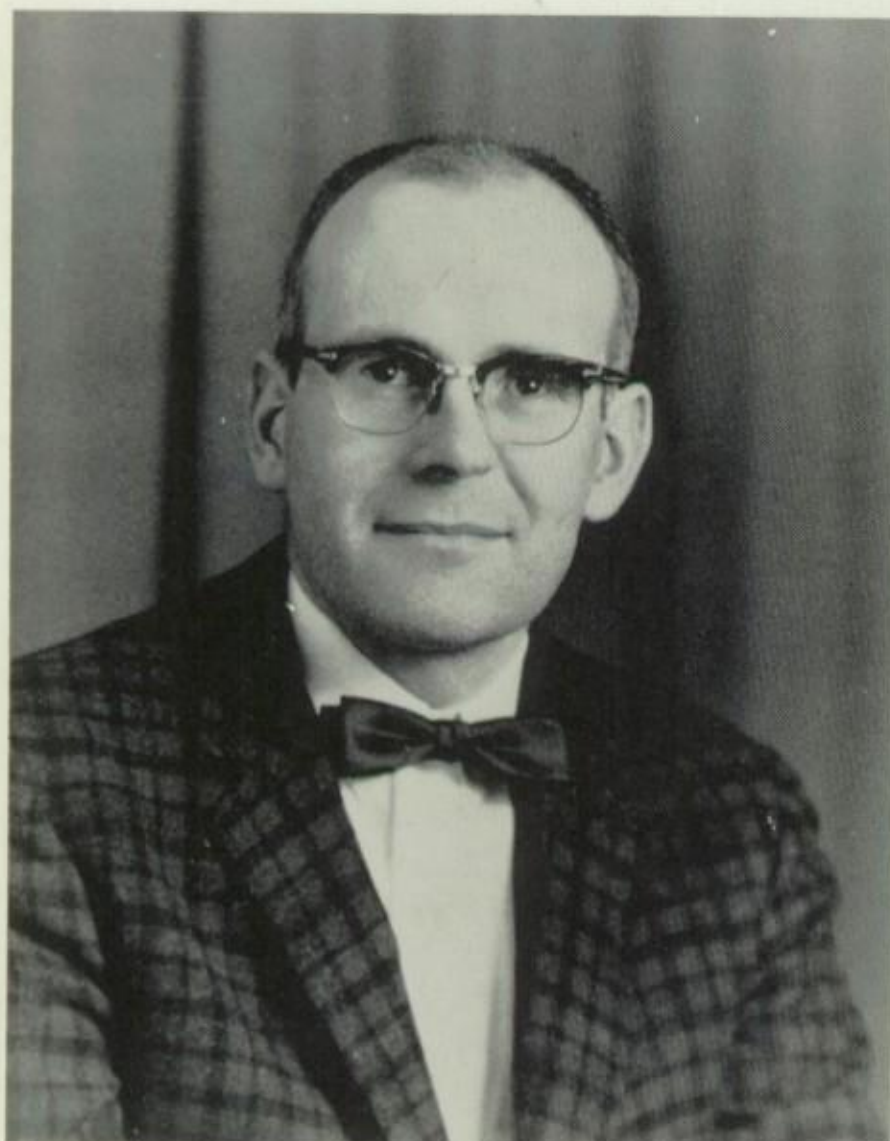

MR. DAY, BUSINESS MANAGER

Mr. Frances Day is perhaps the busiest man in the whole school. He supervises the equipment of the school, keeps all apparatus in repair, orders supplies and manages the operation of the buses.

Coming to Howland in 1953, he taught industrial arts until 1957, when he took over his present position as Business Manager.

Mr. Day graduated from Deming High School then continued his education at Ohio State University where he received his Bachelor of Science degree in Education.

FOR SCHOOL BUSINESS AND SCHOOL POLICY

BOARD MEMBERS

A group which is vitally important to our school system is the Board of Education, which represents the public in its supervising capacities. The Class of 1961 wishes to express its appreciation to the Board for making it possible for us to receive our education from an excellent faculty and to be supplied with tools with which to work.

Mr. John Brady, President

Mr. Clifford Berry

Mr. Leroy Chalker

Mr. H. C. Mines, Vice President

Mr. Fred Shafer

The School Board and other officials are shown at the ground breaking ceremony for the new H. C. Mines Elementary School on Howland-Wilson Road. Another big project this year is the new junior high school across the road from the central elementary building.

ADMINISTRATORS AND SECRETARIES

MR. N. D. KEPNER, PRINCIPAL

Our school principal is the man who provides the link which is necessary to join harmoniously the students, parents, and teachers of Howland High School. Mr. Kepner, a highly educated man, has filled this position since 1953.

He began his educational career in Pennsylvania where he attended Grove City College for two years. He received his B.S. from Ohio University and has done work at the University of Pittsburgh to earn an M.S. degree.

The Class of 1961 is glad for the privilege of receiving their education under the capable leadership of Mr. Norman D. Kepner.

MRS. HUMASON, CLERK-TREASURER

Education is big business, especially in the Board of Education office. For this reason, Howland employs a full time Clerk-Treasurer. The distinguished lady who handles the accounting for the four present buildings and the two new buildings, is Mrs. Claire Humason.

She attended South High School and Youngstown College and worked in industry before moving to Warren and coming to our Howland District seventeen years ago.

OFFICE SECRETARIES

KEEP SCHOOL RUNNING IN GOOD ORDER

MR. THOMAS, ASSISTANT PRINCIPAL

Mr. Herbert Thomas, the assistant principal, is a new-comer to Howland this year. Mr. Thomas comes here from Champion, where he was a member of the faculty for eight years. While at Champion, he served three years as elementary principal, three years as high school principal and taught English, world history, American history, sociology, and driver training.

Mr. Thomas is a life-time resident of this area. He was born in Warren, graduated from Leavittsburg High School and attended Western Reserve University. He received his B.S. degree from Youngstown University, and his M.Ed. degree from Kent State University. We wish to welcome you to our staff, Mr. Thomas.

MR. BARRICK, JUNIOR HIGH PRINCIPAL

For fourteen years, Mr. Mark Barrick has been at Howland. When he first came in 1947, he was assigned classes in science, algebra, and general business. Ten years later he was appointed assistant principal. At present he is principal of the junior high and looking forward to his duties in the new junior high building.

Mr. Barrick received his education in the public schools of Uniontown, Pennsylvania, California State Teachers College and Kent State University, where he received his B.S. and M.Ed. degrees.

Students in these fourteen years have all come to admire and respect Mr. Barrick for his pleasing personality as well as his ability as a teacher and administrator.

SCROLL STAFF

Picture scheduling, copy assignments, deadlines, and photographic assignments, all come at the same time. All this comes during Senior Scholarship Tests and semester exams. This seems to be the essence of passing time, so much to do and so little time to do it. This was much the way the Scroll staff worked this year. The early deadlines to provide a spring delivery all seem to roll around so soon that a staff member barely finished one section when another

section was due. Sponsored by Mr. Williams, with Don Booher as editor and Jim Artherholt as Business Manager, the staff began by selling ads in September and finished with the final deadline of March 1. The various sections were headed by appropriate staff members. All this work called for blood, sweat, tears, throughout the production of this book of school memories.

Peggy Minard, Scroll typist, is seen striking the keys down in Room 45.

Scroll staff members Martha Shafer, Jim Artherholt, Sandra Rose, and Don Booher proofread the copy sheets before sending them to the printer.

AUTUMN ACTIVITIES FEATURE SENIOR

Mary Ann, Bonnie Hammack, discovers her very own ad for summer employment in the paper.

THANKS TO MARY ANN

On October 14, the senior class presented a three act comedy, "Thanks to Mary Ann." Bonnie Hammack had a fine supporting cast to help her iron out the problems of the Chalmer household including a noisy neighbor and the telephone man. The typical teenage sons and daughters and friends added spice to the play which was a huge success.

Mrs. Chalmer, Sandy Hyde, and Mrs. Mallard, Carol Lynn, and her egghead son Mallard, Tom Metzler, renew a friendship from high school days. Below, Mr. Chalmer, Dave Howells is shown in one of many scenes in which the telephone was pulled from its wire.

Cast — First: C. Lynn, B. Erskine, B. Hammack, B. Cleal, J. Husher, S. Hyde, S. Vannelli, S. Byers, M. Balciar. Second: J. Herman, P. DelGarbino, Mr. Hegaman, P. Allen, D. Howells, T. Metzler.

PLAY AND BAND CONCERT

BILL PAGE SHOW

An entertaining evening was enjoyed by all those who attended the Bill Page Show at Packard Music Hall on October 24, 1960.

Mr. Page, a veteran of the Lawrence Welk Band, demonstrated his immense musical talent and ability to play fourteen instruments by performing numerous solos throughout the program.

This talented young musician also accompanied Carol Love as she sang a solo, and he played a clarinet duet with Martha Shafer.

The Music Boosters made this fine program possible.

The Howland High Concert Band poses for pictures before the Bill Page Show in Packard Music Hall.

Bill Page is shown practicing with the Howland Band before the show.

Carol Love sings a very interesting solo "Con Artist" accompanied by Bill Page.

SEMI-FORMAL DANCE AND OPERETTA

"WINTER ECSTASY"

On November 11, the Sophomore Class presented the Sophomore-Junior-Senior Dance with the theme of "Winter Ecstasy." The decorations of snowmen and the stage in white and blue crepe paper set the scene for an enjoyable evening. Refreshments were served by mothers of the sophomores and music was provided by Al Hreno and his band. Al was a graduate of Howland three years before.

Couples take a break from dancing and rest their weary feet while enjoying a lively conversation.

During the evening Sue Vannelli was crowned Queen of Winter Ecstasy. Left to Right are Joyce Chambers, a junior attendant; Ronald Campana; Bill Goldman, sophomore president; Sue Vannelli; Karen Gettig; Denny Philips, Tom Frazier; Joan Williams, junior attendant; Candy Pownell.

ARE HIGHLIGHTS OF THE AUTUMN

Shirley Stein, Sandra Rose, Larry Sindledacker, and Lee Selby sing the closing chorus to "She's One of the Boys."

"SHE'S ONE OF THE BOYS"

Our A Cappella is to be commended on their fine presentation of "She's One of the Boys," a two act operetta.

There was laughing from beginning to the end as Cora Kane (played by Shirley Stein) gave a house party which ended abruptly when some jewelry was discovered stolen. Toward the end, it was discovered that Aunt Henrietta, Cora's house guest, was none other than Henry Curtis (Lee Selby), who was in pursuit of the thief, Grander Meade, (Paul McMahon) a young society man and rejected lover of Cora.

The five men and seven women who comprised the cast, along with the chorus, entertained us throughout the evening.

Strong support by the entire Howland A Cappella helped make the operetta the success that it was.

The six principals, Diane Schryver, Shirley Stein, Sandra Rose, Lee Selby, Tom Brdek, and Larry Sindledacker, harmonize on one of the many songs of the operetta.

The Hugh J. Hanson F.T.A. Club is one to be proud of in many ways. Besides being one of the largest F.T.A. clubs in Ohio, our club is very active in helping outside the realm of school.

The club, consisting of juniors and seniors interested in teaching as a profession, hear beginning teachers, those working with the handicapped, and those who can speak from experience. When a chance to teach occurs, they are willing to fill in to the best of their ability. College scholarships and the annual Career Day are projects of this club.

A special thanks goes to Miss Frederick for her guidance in making Howland's F.T.A. Club a success.

TO STUDY THEIR CHOSEN VOCATIONS

FUTURE NURSES

The childhood dream of many girls is to be a nurse. Our Future Nurses of America Club strives to make this dream materialize for many of the girls of Howland by increasing their knowledge and by giving grants to those who are needy and worthy. The club began its year by holding a formal installation of its officers and new members. Next was their project of contributing food and gifts to a needy family. This was followed by a dinner at King's Table after the first of the year, and a trip to a medical institution to increase their knowledge of nursing. They wound up the year by sponsoring a dance.

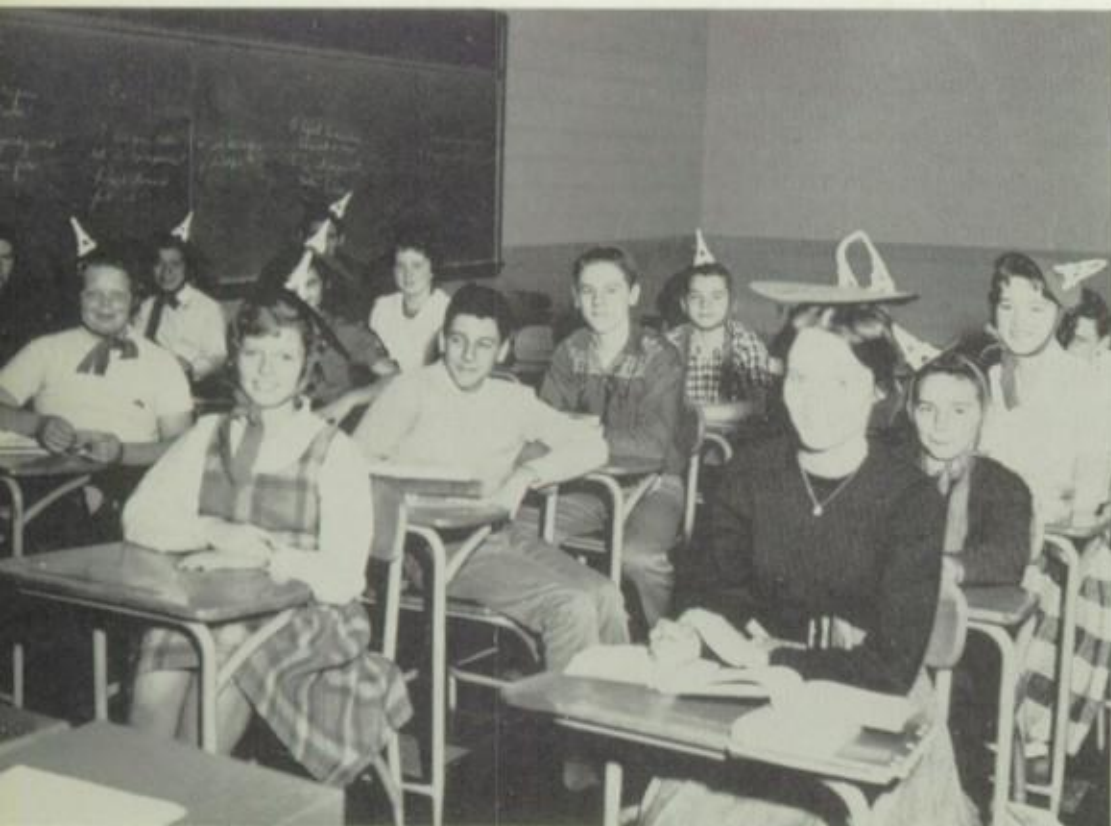

This year the club enjoyed a very active year under the fine leadership of vice president, Jolean Schnee; secretary, Lynn Kirkwood; treasurer, Peggy Minard; president, Martie Velican; and sponsor, Mrs. Sharick.

First: Mrs. Sharick, V. Lisak, J. Weizmann, J. Postlethwait, B. Postlethwait, M. Velican, N. Swager, G. Lytle, C. Kilodi, J. Schnee, J. Peterson, A. Kosciuk. **Second:** J. Williams, B. Juhasz, P. MUCH TIME IS SPENT STUDYING

FRENCH CLUB

The French Club initiates are wearing their Eiffel Tower hats on the fateful day.

Parlez-vous francais? The magic carpet to France is available for any student in the freshman through senior classes who studies French. French Club is held once every six weeks and on special occasions such as Christmas and famous French holidays. Speakers, films, slides, French games, and songs highlighted the club's meetings this year. Initiates will long remember their first social meeting, when they were obliged to turn in their articles from the French scavenger hunt and take an oath of obedience to their French superiors.

Sponsoring the club is Mrs. Huibretgse. Officers elected to lead the French Club were: Karen Busa, president; Carol Crawford, vice president; Sue Heller, secretary; Sherry Maas, treasurer.

RADIO CLUB

"Good morning. This is radio station WHHS going on the air." This is just one of the introductions to the morning program. The Radio Club is composed of a group of selected voices chosen once a year. The main duties of this organization are to broadcast the morning devotions. Howland highlights, world news and weather and a thought for the day. This year the members have recorded some radio plays for use in the literature classes.

Under the leadership of Mr. Hageman, sponsor, and Janet Collins, president, the Radio Club members have done a very fine job with their duties.

Gail McCoy at the microphone and Rick Thompson at the console provide an excellent team for giving the morning announcements.

First: Mrs. Krauss, C. Ultsman, C. Simpson, K. Keeling, J. Ranck, B. Goldman, D. Klein, P. Meeker, C. Murray, J. Verlenick. **Second:** Mrs. Griffin, D. Humphrey, W. Taiclet, B. Boyd, D. Smith, C. Hayden. **Fourth:** J. J. Datesh, K. Keeling, D. Fisk, R. Pitchford, J. Lazor, S. Byers, D. Beach.

SCIENCE CLUB

The Howland Science Club is one of great significance. The forty members, all interested in some field of science, broaden their knowledge by making a project which is entered in either the Fitch Science Fair or the Kent Science Fair. At these fairs they have an opportunity to win awards, but more important, they meet other teens with scientific minds.

At their monthly meetings, they increase their knowledge of chemistry, biology, math, physics and related sciences with speakers on a variety of subjects. This year Mr. Marti spoke on "Pharmacy."

Last year the club took a trip to Cleveland to the National Aeronautics and Space Administration. This year the members are looking forward to putting on their own Science Fair.

Under the fine leadership of Mrs. Krauss, Mrs. Griffin, and Mr. Lowry, the Science Club has enjoyed many experiences. Every morning the club reports to the students the weather forecast which they calculate with their own equipment.

TIME WELL SPENT

Rifle Club membership is open to anyone interested in the field of marksmanship. Members acquire a full knowledge of safety rules, rifling skills and general procedures of the sport. The rifle team also competes with teams from other schools during the year. Our squad has made a fine showing this year in many exciting matches.

RIFLE TEAM

Dick Kowalski and Bob Spirko take aim from the prone position.

OFFICE AIDES

There is no more valuable way to obtain secretarial experience than to work in a high school office. In our offices, the secretaries are relieved of many "little jobs" by the office aides. These girls sort mail, sell supplies, make change, and run errands. In the junior high office, the aides have the same duties in addition to collecting attendance slips. An office is a busy place with many things to be done, and these girls are invaluable to the administration.

These two office aides take charge of the front desk during the sixth period.

Judy Fellows, working from the junior high office, collects attendance slips from the rooms.

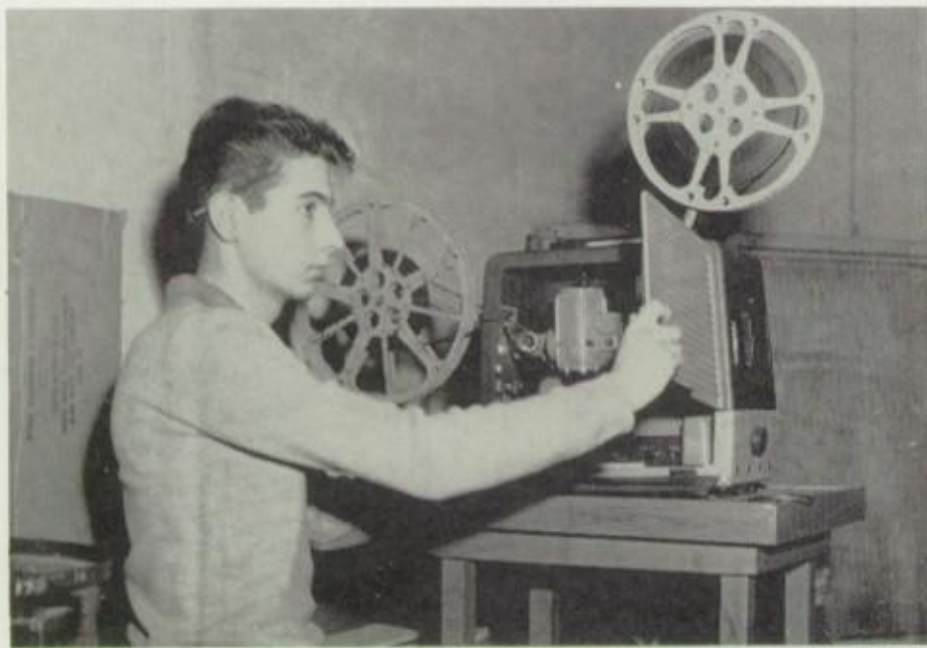

BUILD CHARACTER IN TIME

First: S. Slife, L. Sullivan, E. Pizer, T. Vannelli, N. Whittier, R. Eddy. **Second:** Mr. Hegeman, D. Howells, R. Pitchford, P. McMahon, R. Smith, T. Brandes, M. Pond, J. Crew, J. Rieser.

CONTROL ROOM OPERATORS

The control room operators work in pairs throughout the day to serve the school. Their job is to connect Mr. Kepner, Mr. Thomas, and Mr. Barrick to the individual rooms as they request. These students must also make all necessary announcements throughout the day. When they are not on duty, they use the control room as a study hall or they may just relax and listen to the radio — a favorite pastime of all.

VISUAL AIDES

Educators have found that films and recordings are often a valuable aid to instruction.

At Howland there are always visual aides operators available. These students, under the direction of Mr. Irwin, are trained in the use of movie projectors, tape recorders, record players, and the opaque projector. They are a busy group, showing movies thirty to forty times a week.

First: Mr. Irwin, S. Winans, M. Balciar, B. Clary, B. Faley, W. Tacklet, J. Culver, D. Sabo. **Second:** T. Orwig, H. Sampson, A. DelGarbino, J. Mrus, R. Shaw, L. Harper.

WORTHWHILE TIME IS SPENT

NURSE'S AIDES

Twelve junior and senior girls compose the nurse's staff of aides. These girls work in pairs throughout the day to run the health office in the absence of Mrs. Sharick, our school nurse.

It is their duty to administer all first aid. They must be able and willing to lend a hand in case of an emergency.

Working in the nurse's office not only lessens the many duties of Mrs. Sharick, but it also gives the girls invaluable training for their future.

First: S. Rose, B. Ewing, L. Hooner, M. Velican, G. Lytle, J. Falkinburg. Second: P. Minard, V. Vennetti, R. Jarman, S. Davis, M. Hayes, B. Tate, V. Lisak.

Georgia Lytle performs one of the many duties of the nurse's aides.

HOME ROOM MANAGERS

"Get your Tiger Times" are the words that can be heard once a month from each homeroom's special newsboy. These people are elected from their homeroom every fall to serve as homeroom representative for the school newspaper. They provide an invaluable aid to the staff by stimulating sales, taking orders for the Tiger Times, and making sure that everyone receives a copy of our outstanding newspaper.

IN SERVICE TO OUR SCHOOL

Miss Woodford, J. Stahl, C. Crawford, D. Higley, S. Games, J. Daylida, J. Steele.

LIBRARY AIDES

The library aides, under the guidance of Miss Woodford, help to make the librarian's task an easier one. These girls are indispensable; they check out books and do so many other things that make our library one of the finest school libraries.

Carol Crawford takes charge of the library desk, checking out books for two boys.

First: K. Linsenmann, C. Pownell, K. Taylor, M. Heller, K. O'Donnell, M. Whiting, Mr. Godward. **Second:** R. Maley, K. Sisley, M. Culver, C. Altzman, C. Watson, J. Baker, Miss Williams. **Third:** D. Cleal, D. Brewster, D. Pachuk, J. Crowder, D. Bock, D. Maze, M. Smith, Mr. Andrish. **Fourth:** A. DelGarbino, B. Boone, E. Jones, J. Frazier, R. Stevens, S. Rozycki, C. Phillips, B. Goldman, C. Roberts.

GYM AIDES

Students who enjoy the activities of the physical education classes and who wish to employ their knowledge make up the staff of gym aides.

To be a gym aide one must have completed his requirements in physical education. These boys and girls then aid our physical education staff in the task of teaching our junior high classes. Through this plan, the heavy load of our teachers is lightened.

These reserve cheerleaders spread enthusiasm to the crowd and encouragement to the players at a basketball game, one of the important sports of winter.

JUNIORS

The Junior Class has contributed much to Howland High during the past year. They met new experiences and responsibilities determined to make this the best year ever.

The annual TWIRP dance, a highlight of the social calendar is sponsored by the Juniors. The Juniors also have charge of the Christmas Formal. The most concentrated effort of the year is put into the all night prom. The prom sports professional entertainment, wonderful food, and fine decorations. It will be one of their fond memories of their Junior year.

SOPHOMORES

At the close of this year, the sophomores will become juniors and trade in their biology books for chemistry books and their geometry books for algebra books.

Their year has been filled with record hops, basketball games, and other school events. The class presented their first self-sponsored dance this year — the Sophomore, Junior, Senior Dance, Nov. 11. The theme was "Winter Ecstasy." This was one of the most enjoyable dances of the year.

The sophomores can look back on many pleasant memories and forward to a very active junior year.

MANY SCHOOL RESPONSIBILITIES

"The meeting will please come to order." These words of President Paul Waddell were used many times this year to open Student Senate meetings. This year the Student Senate was more active than it has been in the past. During the fall, when the conduct at our dances became a problem, the Student Senate, with co-operation of the class officers and National Honor Society, solved the problem.

The Student Senate also donated money to "Care" and sponsored a very successful clothing campaign for The Save the Children Federation.

Aided by Mrs. Reiser, the Student Senate had a very successful year.

Mrs. Rieser and Paul Waddell help fill the bags for the Save the Children's Federation, one of the projects of Student Senate.

Officers of Student Senate are: Larry Proper, treasurer; Joan Williams, secretary; Tom Metzler, vice president; Tom Frazier, sergeant-at-arms; and Paul Waddell, president. Mrs. Reiser is faculty advisor of this organization.

Dick Pachuck shows his great talent during the varsity game with Vienna.

Our Tigers, under the direction of Coach Godward, showed the spirit of a real fighting ball club. The team displayed excellent sportsmanship throughout every game this year.

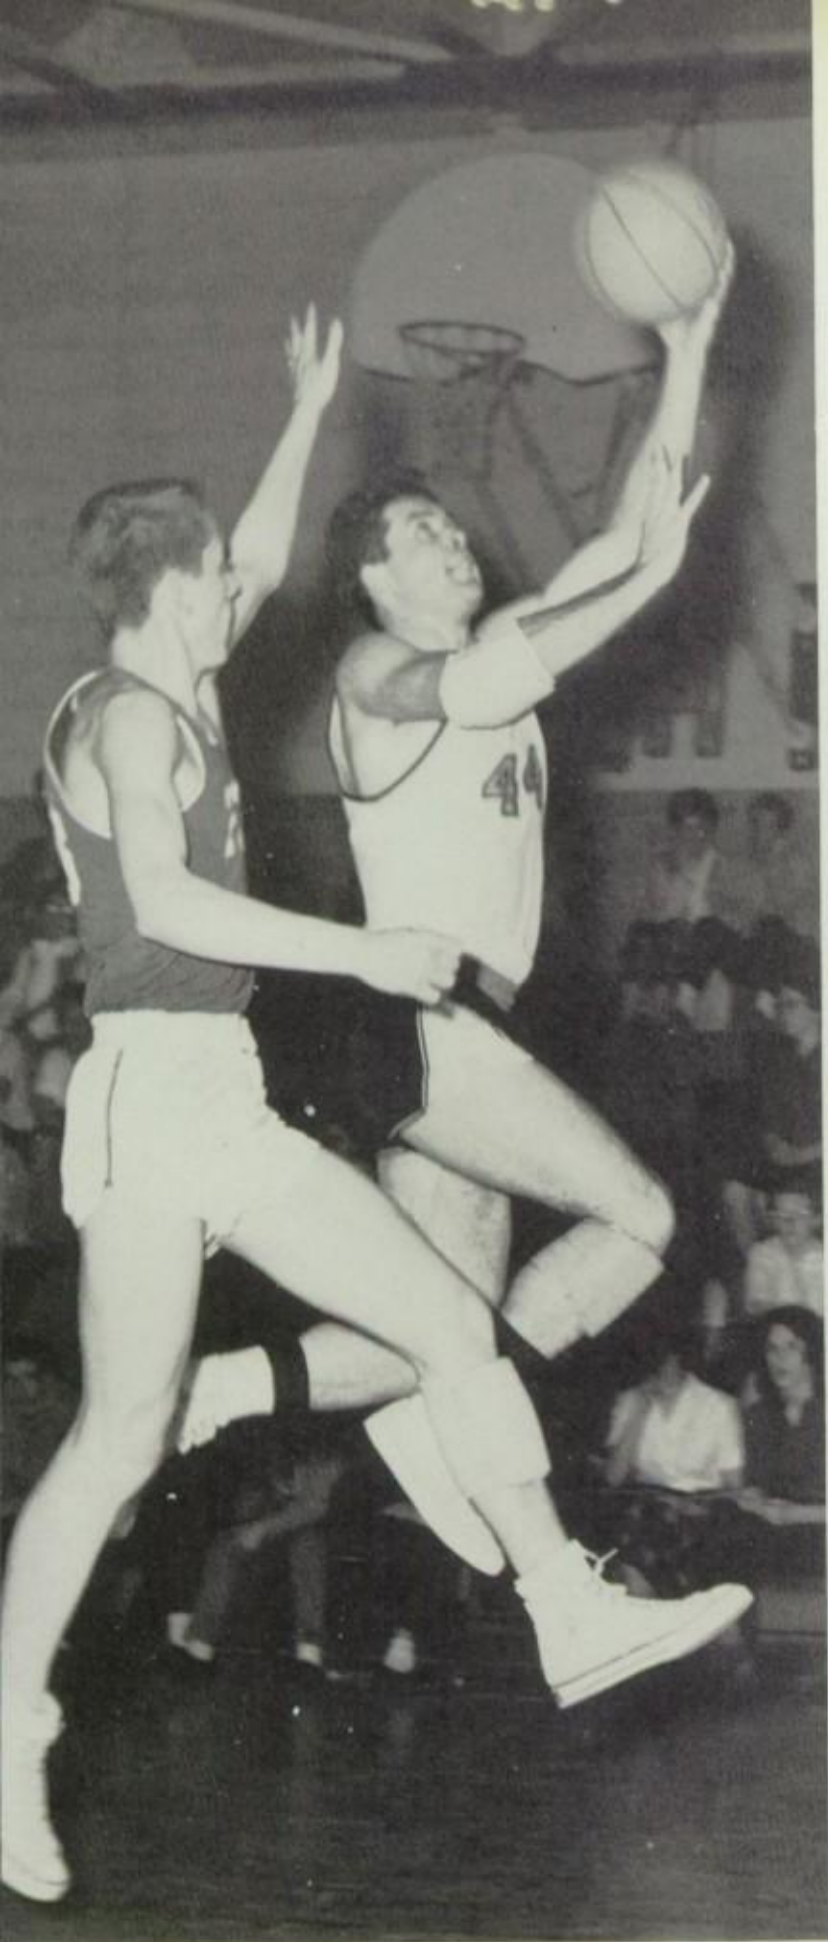

Although our boys were young and lacked experience, they improved greatly during the season.

Ray Stevens, the only returning letterman, provided the big punch both offensively and defensively. He averaged 21 points and 15 rebounds per game.

All the boys on this year's team will be returning for another season of action next year.

Cliff Phillips successfully blocks a shot during the Canfield varsity game.

Captain Ray Stevens displays his excellent form while shooting a lay-up shot. Ray missed tournament action because of a broken nose received in the last scheduled game of the season.

WRESTLING TEAM

This year Howland found itself with one of the best wrestling teams it has ever had. Senior captain Larry Proper and Senior co-captain Tom Metzler led the boys to a very fine record.

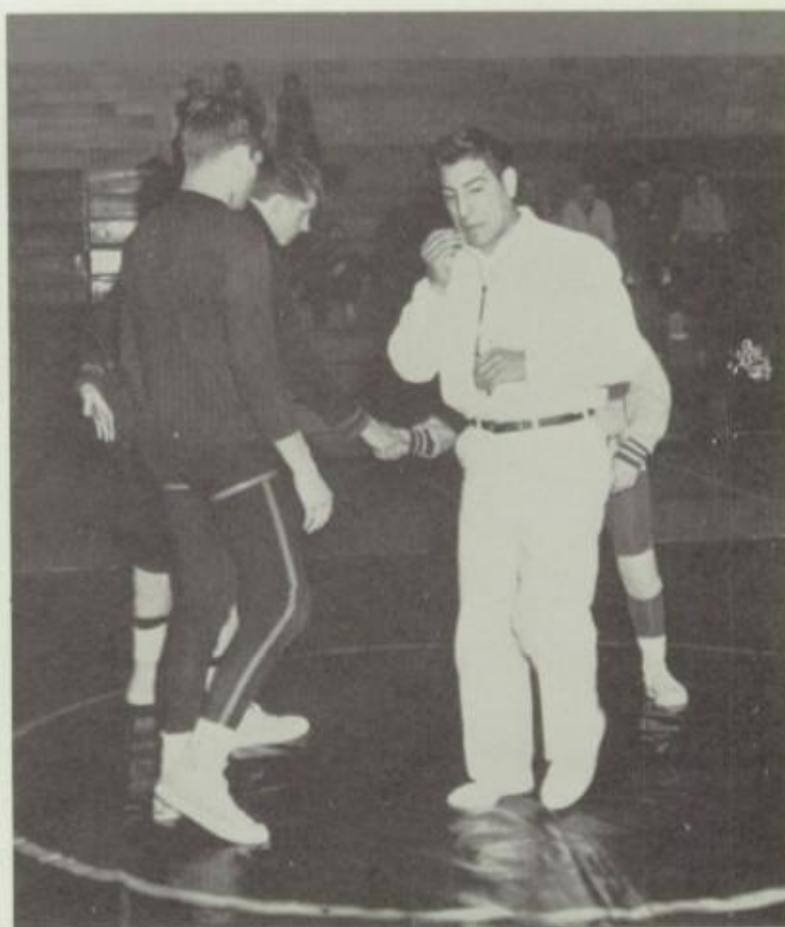

The most promising figures this year were Larry Proper, Tom Metzler, and John Datesh, who among them accounted for many of Howland's points.

In the district tournament at Kent, Larry Proper, weighing 154 pounds, won first place and a trip to Columbus to compete with the best wrestlers in the state. In district competition Tom Metzler and John Datesh both received fourth places to finish a fine season for both boys.

Joanne Smith shows excellent form as she is in competition in the girls' bowling league.

GIRLS' BOWLING TEAM

This year, under the supervision of Miss Williams, the girls formed a bowling league. This league met after school every Thursday evening and would bowl against each other.

Judy Falkenburg was the captain of the winning team. Other members of that team were Joanne Smith, Mary Lee Hayes, and Vivian Lisak. They won 3 points and lost 16.

The battle for high three games was very close and every league meeting seemed to find a new holder of that title. At the end of the season, Sandy Wickham held the crown. She had a three game total of 460. The high individual game crown was won by Peggy Wells, who bowled a 195 game.

JUNIOR ACHIEVEMENT

Each September about four hundred high school students meet at the Warren Junior Achievement Center and organize twenty miniature business corporations.

Throughout the year these students are given an insight into business operations. These organizations provide experiences in working with stocks, equipment, and raw materials. Many Junior Achievement members spend one evening each week learning sales technique through door-to-door selling. Any student in the eleventh or twelfth grade is eligible to participate in this very worthwhile organization.

MISTLETOE MAGIC

Mistletoe and gaiety were the prime elements of the gala Mistletoe Magic held in the Hanson Gym, December 28, 1960.

The gym was transformed into a haven of winter beauty with a mammoth Christmas tree trimmed in blue lights erected in the center. At the south end of the gym, there was a unique winter scene consisting of the familiar snowman, and a clever old-fashioned sleigh.

The cafeteria became a romantic ski lodge. In the far corner was a huge fireplace with a glowing fire placed in it. The refreshments followed the ancient color scheme of Christmas; red and green punch was served with a variety of tasty cookies and sandwiches.

Tops D'Agatti and his band provided the music to which everyone enjoyed dancing.

Sherry Cole, Sue Alexander, and Debbie Kline decorate a tree for Mistletoe Magic.

This large Christmas tree with its many shades of blue lights provided an excellent background for dancing.

Seniors Mel Balciar and Phyllis Gallagher sit and enjoy the fabulous music provided by Tops D'Agatti and his fine orchestra.

HOWLAND HIGH BAND

Our band has presented us with many fine programs throughout the year, under the direction of Mr. Robert Alexander. One of the highlights of the year was the fine program presented at the Packard Music Hall when our band accompanied Bill Page, veteran of the Lawrence Welk band. We were especially proud, because our band was the first high school band to present such a program at the Music Hall. In March they competed in district competition with hopes of going on to state competition later in the spring. Another highlight of this fine organization is the concert tour they are planning to take to Elkhart, Indiana.

MUSIC, THE LANGUAGE OF

First Row: C. Gostovich, J. Flickinger, J. Wood, B. Herig, D. Phillips, J. Reiser, R. Devito, H. Curritti, R. Thompson, J. Lacusky, C. Difford, L. Sullivan. **Second Row:** Mr. Alexander, P. STAGE BAND

"We could have danced all night . . ." The Melody Kats, a group of students with a love for music, provide pleasant music for many dances in the surrounding area. The Howland Melody Kats, under the leadership of Rick Thompson, who makes all the arrangements and signs all contracts, have made great strides this year. Increasing the band's number to 20 members, it has the big band sound when needed and breaks up into several smaller dance groups for smaller jobs. The Melody Kats are basically the band that did such an outstanding job with Bill Page earlier this year.

ALL PEOPLE AND AGES

First Row: B. Baily, J. Daylida, C. Difford. Second Row: E. Da Belko, N. Fansler, E. Leon.

MAJORETTES

Our majorettes provide interesting routines along with the band for marching and special shows. These girls also play their respective instruments in the band.

The majorettes furnished entertainment entitled "Santa's Workshop" at the annual Christmas program.

A SONG IS MORE LASTING THAN

A CAPPELLA

As the sixth period bell rings, the A Cappella once again races to their seats in room 113 to begin another hour of vocal practice; the gentle voice of Mrs. Polly is raised to quiet the roar of the members.

This is the group that each year puts on such fine musical programs as "She is one of the Boys," this year's operetta. Each year this group puts on a fine show but this year they outdid themselves with a fine comedy featuring Lee Selby and Shirly Stein.

Soon after the annual operetta and the yearly candy sale, the A Cappella begins practicing for the music contest in which they have always done very well. When the feverish rehearsals and the contest are once again over, the group again enjoys a short lull until it is once again time to get ready for their part of graduation ceremonies.

First Row: Mrs. Polley, S. Kuhn, D. Hreno, J. Falkinburg, J. Williams. **Second Row:** L. Kirkwood, S. Vannelli, K. Merrell, E. Cline. **Third Row:** J. Tucker, T. Vannelli, S. Maas, D. Beach. **Fourth Row:** V. Gilchrest, P. Minard, R. Lytle, E. King, B. Johnston, D. Chaney.

THE RICHES OF THE WORLD

Room 113 is a busy place every sixth period when the A Cappella practices.

THE VOCAL ENSEMBLES

Judy Falkinburg, Shirley Stein, Joyce Williams, Elenor Cline, Kristine Iklodi, Paulette Thomas, Vicki Gilchrest, Diane Shryver, Carol Love.

TRIPLE TRIO

The nine lovely ladies who make melodies roll are selected each fall by their director Mrs. Polley. These girls sing not only for their own benefit and enjoyment but also for the pleasure of those who listen. Throughout the year these talented girls sing in assemblies, graduation, and for social events outside the school as well as joining in competition with similar singing groups.

CHORDAIRES

The Chordaires consists of nine boys chosen by Mrs. Polley for their outstanding vocal ability. Throughout the year these boys entertain at various school assemblies, musical programs and private engagements. Each spring they enter district competition in hopes of going on to state and receiving a superior rating. Under the excellent direction of Mrs. Polley, these nine fellows have blended their voices in such way that it is always a pleasure to hear them sing.

CREATE PLEASANT HARMONY

FRESHMAN CHORUS

Much as a football coach starts in the junior high to train his future players, so Mrs. Polley starts recruiting for the A Cappella with the freshman class. She teaches the freshman chorus the techniques of A Cappella singing and gives them a running start on this type of work. This gives them a chance to begin more advanced work at the beginning of the following year.

FIFTEEN SENIORS, EIGHT JUNIORS

NATIONAL HONOR SOCIETY

The Howland Chapter of the National Honor Society has had a busy and successful year. The members have helped the Student Senate OK our school code and present assemblies.

On February 9, 1961, tapping ceremonies were held in the Hanson Gym. Fifteen new senior members and eight juniors were inducted into the local chapter after hearing Dr. Wanamaker, Superintendent of the Youngstown Schools, speak. They were selected by the faculty on leadership, scholarship, character, and service. The National Honor Society has been led this year by President Jim Artherholt, Vice President Ed Jones, Secretary-Treasurer Martha Shafer, and Faculty Advisor Mrs. Rieser. These three students also held offices in the Trumbull Chapter of the National Honor Society: Jim, second vice president; Ed, initiatory team; and Martha, pianist.

Dr. Wanamaker, Superintendent of Youngstown Schools, delivered an interesting message at the tapping assembly.

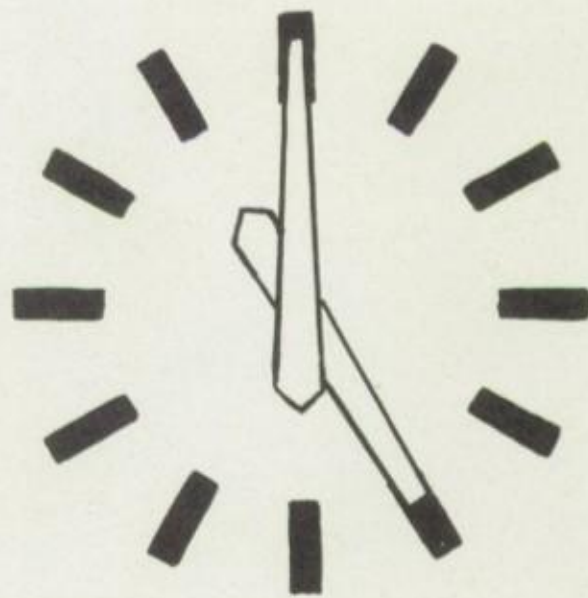

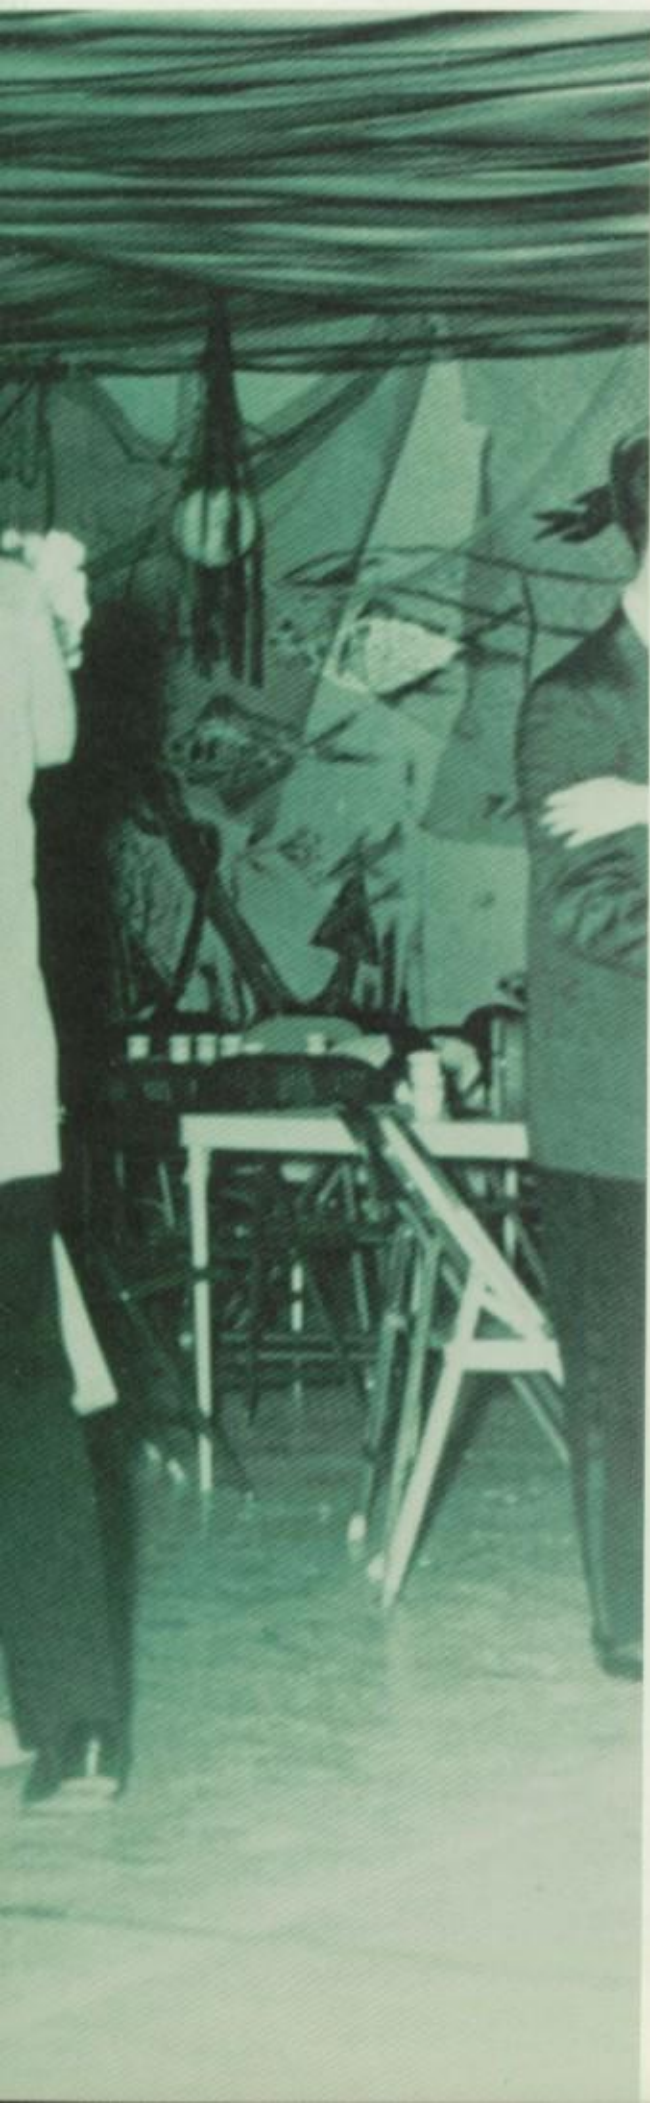

These seniors who were elected to NHS in their junior year are: Martha Shafer, Ed Jones, Sandra Hyde, Robert Erskine, Mrs. Rieser (advisor), Phyllis Del Garbino, Don Booher, Kaythryn Bode, and James Artherholt.

Spring MEANS PROM,

TESTS, AND GRADUATION

Time goes, you say? Ah no!
Alas, Time stays, we go.

Austin Dobson

The all night junior-senior prom is the biggest event of the spring. Because of publication deadlines, the 1960 prom is pictured. The theme was "Neptune's Kingdom."

CHARLES SCHULZ CHOOSES QUEEN AND COURT

Charles M. Schulz, cartoonist creator of "Peanuts," chose Sharon Cole and her court of Judy Falkinburg, Martha Shafer, and Sue Vannelli to reign in the 1961 Scroll. Mr. Schulz reported the selection as a very difficult decision. Without the help of Charlie Brown, Linus, Schroeder, Lucy, and Snoopy, he might still be pondering over the ten Scroll queen candidates.

SENIORS

With mixed feelings we are looking forward to May 26th — graduation night. This has been our goal for twelve long years; but now, as the goal comes into view, we are not quite ready to face it.

Our four years of high school have been very active ones, keeping every free moment filled.

As freshmen we entered high school completely in awe of everything going on around us. It wasn't long, however, until this became commonplace and we realized that we weren't as important as we thought. Our big event was the class party.

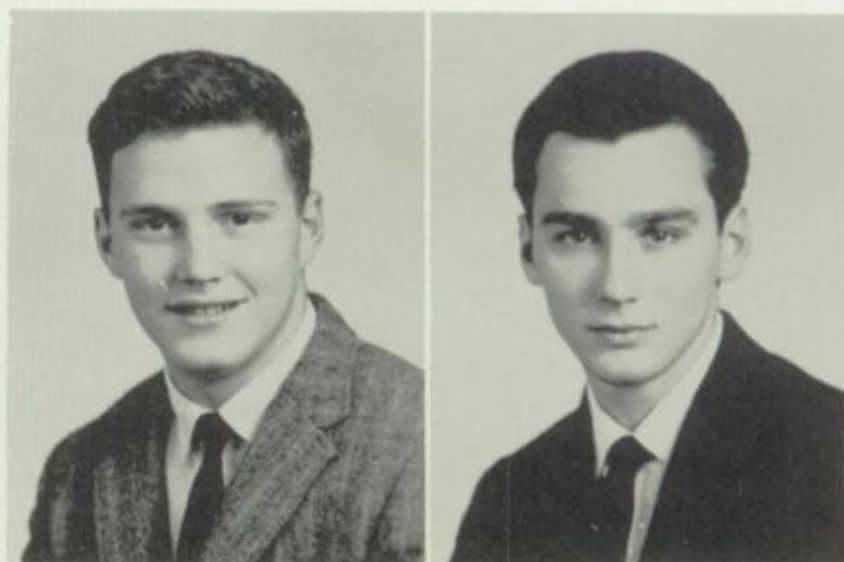

Sophomores — we are getting there. This year was highlighted by the Sophomore-Junior-Senior dance, which we sponsored.

Then came our junior year. It was crammed full of sponsoring dances, record hops, and money making projects. Many months were spent elaborately preparing for our Junior-Senior-Prom — "Neptune's Kingdom."

Our Senior year we have busied ourselves with preparations for graduation and the future. In the middle of the year we were busily choosing announcements, our class flower — Mum; our class colors — gold and white, and our class motto — "Today's goal will be tomorrow's starting point." One of the high points was the welcoming announcement that our graduation would take place in Packard Music Hall auditorium.

THE SPORTSMAN'S DELIGHT

GOLF TEAM

Dave Howells (right) and Ted Belak (above) display the excellent form that may lead the team to the state finals.

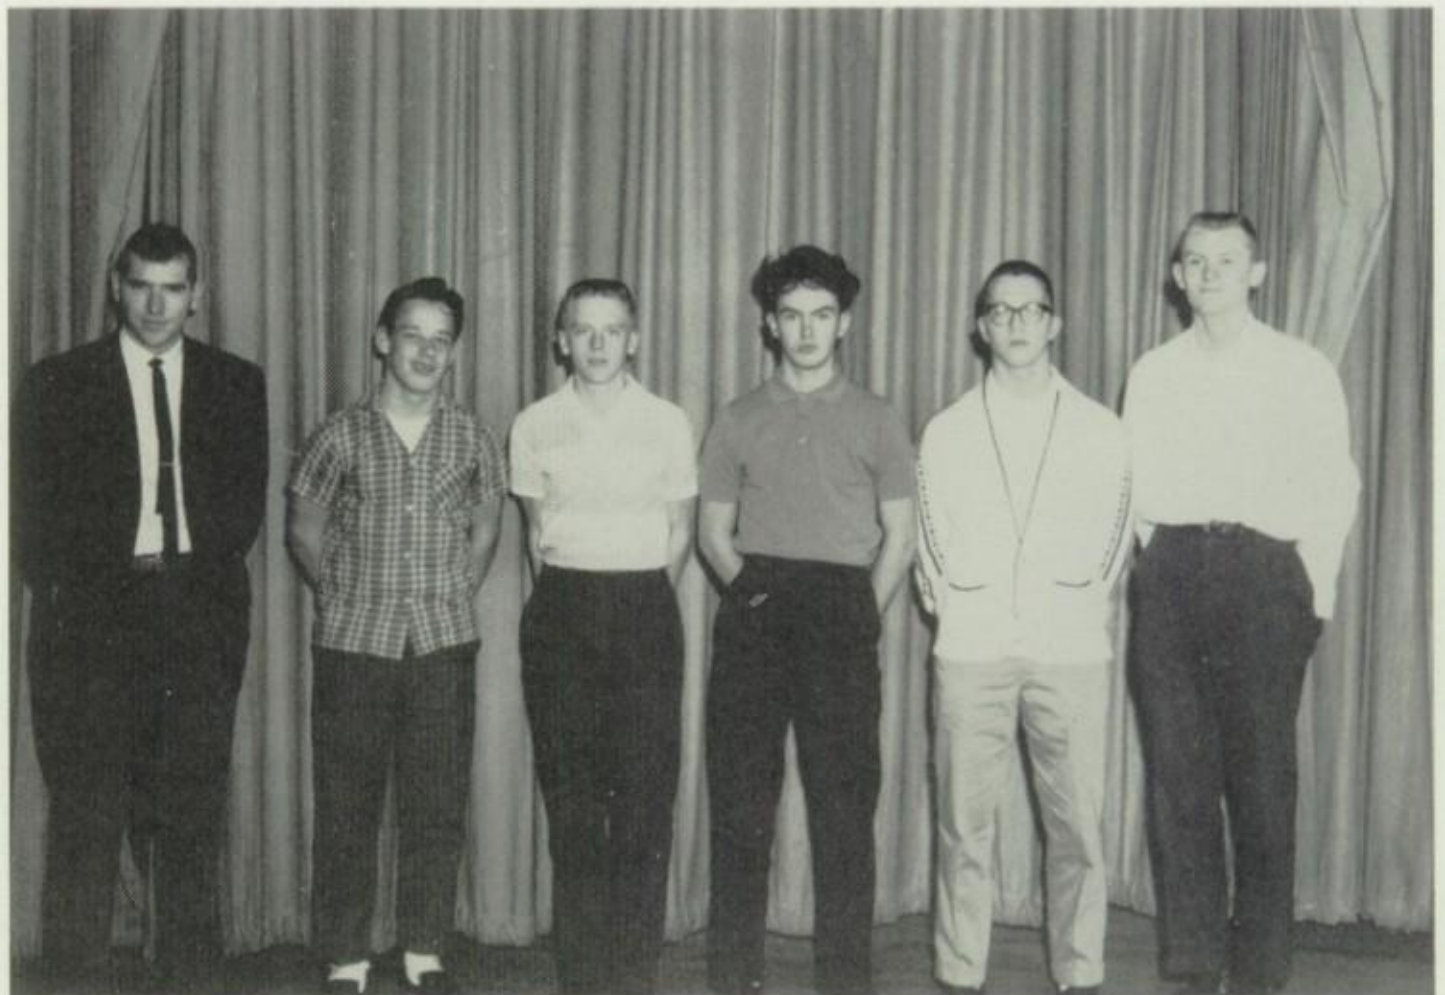

This year's golf team has received almost a complete overhaul, except for the two returning hackers, Dave Howells and Ted Belak.

The team this year consists of: Dave Howells, Ted Belak, Bill Mody, Dave Liddle, John Malone, Roger Miller and John Crowder.

The team seems to be a very rugged competitor and could very easily win first place this year and go to the state tournament.

Members of the golf team are: Mr. Larson, John Crowder, Bill Mody, Dave Liddle, Ted Belak, and Dave Howells.

IS IN THE PURSUIT

Howland track team members round a curve in cross-country meet.

TRACK TEAM

This year's track team has a rough season ahead of them. After winning the league trophy last year, we will expect them to make a fine showing and hope that they can bring that trophy home again this year.

Under the direction of our new track coach, Mr. Vuchek, and supported by two promising seniors, Tom Metzler and Tony Leon, we feel the boys will have a winning season once again.

Tony Leon breaks the tape at the finish line.

TIGER DIAMONDMEN WORK

"Junior letterman" Don Geisey displays perfect pitching form.

Coach Mapes is preparing for a winning baseball season.

Three experienced players, Ray Stevens, Dale Kagey, and Jim Flask, sharpen their batting eyes in pre-season warmup.

FOR A SUCCESSFUL SEASON

Don Giesey, Cliff Philips, and Larry Proper display excellent batting form in preparation for the coming baseball season.

BASEBALL TEAM

Our baseball team, which has seven returning lettermen from last year's squad, is under the leadership of our new coach, Mr. Mapes. The boys are hoping that they will be able to get on the new field which is being built behind the school.

Although at press time, this season hasn't started, we know our Tigers will be very rough competition.

Catcher Al Lambing gets in shape to help Howland to many baseball victories.

LITERARY PUBLICATION AND JUNIOR

Seated: Martie Velican, editor; Sherry Cole, senior artist; Sandy Hyde, co-editor. **Standing:** Linda Gimble, junior staff; Janet Collins, junior staff; Don Fisk, art editor; Dave Rosco, junior artist; Mr. Williams, advisor.

SCRIBE STAFF

For the second year a staff of interested English students published the Howland literary magazine, the **Scribe**. The English teachers are asked to submit the best work of their students, and the editors select the very best work from each grade. Although this project, under the supervision of Mr. Williams, is relatively new, the students and teachers have become very conscious of the thrill of having their work printed. Illustrations and other artwork for this fine magazine are created by student artists.

Martie Velican industriously proofreads some of the articles for this year's **Scribe**.

PLAY HIGHLIGHT THE SPRING

Lee Selby and Sharon Cole rehearse a heart-warming scene for "Seventeenth Summer."

JUNIORS PRESENT "SEVENTEENTH SUMMER"

"Seventeenth Summer" was the hilarious, heart-warming story of a young girl of seventeen who has just returned from private school before her four year stay in college.

She, unlike most girls of her age, has never yet had an **affaire de cuore**, but she did not give up hope and managed to fall in love with the boy next door during the summer. The play consisted of their antics during the ensuing summer.

The entire cast and their director, Mr. Hageman, are to be congratulated on a job well done.

Rehearsing a rollicking scene from "Seventeenth Summer" are: Sharon Cole, Russ Hayden, Dave Smith, Bonnie Juhaz, and Joyce Dillon.

OUR TIGER TIMES IS THE VOICE

Frances Fisher, editor, and Pat Money, feature editor, inspect issues of the Tiger Times.

YOUR TIGER TIMES IS HERE! Incognito above is Melvin Balciar portraying the tiger spirit of the paper. This publicity stunt was used to help build up the school spirit.

OF HOWLAND . . .

First Row: Mr. Williams, M. Michalovic, S. Farkas, B. Ewing, V. Lisak, F. Fisher, A. Kosciuk, B. Tomlin. **Second Row:** S. Mikell, P. Money, J. Dillon, E. Cline, J. Herman, J. Husher, P. Minard, M. Mosko. **Third Row:** B. Balentine, G. Lynn, J. Nance, S. Yovich, L. Proper, M. Balciar, E. Imburgia, M. Atkins.

TIGER TIMES

The Tiger Times staff consisted of members of the journalism class. The members applied for their respective positions and were voted in by their fellow classmates. The staff started the year with a "bang" and continued that way through the year. There were eight publications during the year.

The Tiger Times this year had many jam-packed pages of stirring editorials, rib-tickling features, up-to-date news stories, and interesting columns.

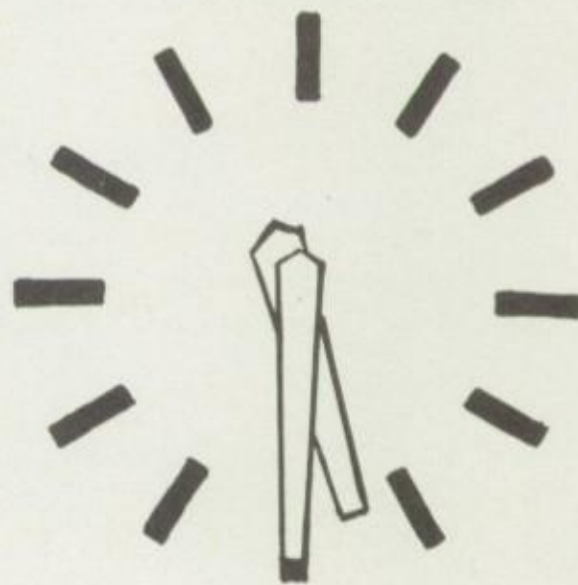

These journalism students have learned the ups-and-downs of newspaper work during the year, and many of them will be going into the journalism field as a career. At press-time, the staff is looking forward to entering a journalistic competition to be

held at Kent State University this spring.

The following are members of the staff: Editor-in-chief, Frances Fisher; Assistant Editor, Melvin Balciar; Business Manager, Peggy Minard; Sports Editor, Larry Proper; Fashion Editor, Sandee Mikell; Columnists, Jean Herman, Jeanine Husher; Circulation Manager, Joyce Dillon; Feature Editor, Pat Money; Editorial Editors, Alix Kosciuk, Margaret Michalovic; Exchange Editor, Jim Nance; Staff Advisor, Mr. Williams; Reporters, Ed Imburgia, Steve Yovich, Eleanor Cline, Sue Farkas, Bonnie Ewing, Vivian Lisak, Bob Balentine, Mike Mosko, Barb Tomlin, Mike Atkins; Jr. High Reporters, Sherry Rentz and Gerry Lynn.

HOW IMPORTANT IS A TEACHER?

The teacher is, by all odds, the most influential factor in high school education. Curriculum, organization, equipment, important as they are, count for little or nothing except as they are vitalized by the living personality of the teacher.

J. F. Brown, *The American High School*

The teaching staff of any educational institution is its most essential item of equipment. Providing suitable teachers for American high schools is a task so colossal that our civilization is staggered in its effort to meet the demand . . . Our ability or inability to provide competent teachers will determine the success or failure of the American experiment of universal secondary education.

Dr. C. H. Judd, *Phi Delta Kappan*

The forward movements in human welfare become possible only from correct teaching. Civilization advances in accordance with the quality of teaching service. The influence of the great teacher extends through many generations, doing high service beyond the limits of his natural life. It transcends geographical and national boundaries. Witness Socrates and Jesus.

A. R. Brubacker, *The Path of Learning*

Teaching is a profession. Today teachers are expected to be college graduates, well-trained in their teaching fields and certified by the State of Ohio. Now that you have reached that point in life where you must seriously prepare yourself for your life's work, we urge you to consider dedicating your life to the teaching of others. Teachers are the most important item in education; you can be important to teaching.

FEW HOWLAND GRADUATES TAKE UNSKILLED JOBS

Howland has one of the highest percentages of graduates entering college of any of the county schools. This is a credit not only to the quality of the graduates, but also to the finest faculty and administration anywhere. Even the boys unable to attend college do not have to take unskilled jobs—they develop skills in Howland's shops—stepping stones to top factory jobs.

RESISTING THE APPEAL OF "FOOL'S GOLD"

In a highly industrialized area, the availability of \$100.00 per week unskilled jobs is a real challenge to the graduates determined to attend college. The high percentage of Howland graduates making names in the business and professional world is living testimony to the quality and determination of Howland graduates, their faculty and the administration.

". . . and God bless my teacher, too!"

A teacher is patience personified. A gentle molder of eager minds, a firm guiding hand for the will-o'-the-wisp. A persistent wiper of runny noses and tear stained cheeks, perennial quarterback for the recess Wildcats, and, in season, all-star pitcher for the recess Buckaroos.

A teacher is, of necessity, the Frank Buck of the classroom, ever on the alert for frogs in the pockets of mischievous boys, snakes in cans, and bugs in bottles. A teacher is the Clara Barton of the playground, consoling big aches in little hearts and proving with love and patience and understanding that a skinned knee isn't really the end of the world.

Teachers must have the wisdom of Solomon, the patience of Job, the inventive genius of Tom Edison, the heart of a mother, and the batting average of Joe DiMaggio.

Like Van Dyke and Rubens, Steinbeck and Maugham, a teacher is a creator of a thing of beauty—an educated mind in a young, growing body. A teacher must breathe fire into the pages of history, wage a one-man war to make Columbus and Washington as exciting to young fry as Captain Video and Davy Crockett.

And, when all is said and done, their finest tribute comes when a little one defiantly clinches any argument with one simple phrase: "Well, my teacher says . . ."

Created out of a deep respect for our teachers and the wonderful work they do,
and published with the best wishes of
